Informing regarding the availability of short expiry surgical items at MSD.

Please go through the item list attached herewith including Ear, Nose & Throat (ENT) Consumable Items, Haemodialysis and CAPD items ,Surgical Dressings and related items ,Personal protective equipments items (SR range 132,143,145.156) that could be expired within year 2026 & 2027 if not used, with large available stocks at Medical Supplies Division.

These items have been purchased and provided to Medical Supplies Division according to the national consolidated estimate which was prepared based on estimates which was prepared base on the estimates provided by the institutions.

Therefore, please note that the entire responsibility of requesting the estimated items through SWASTHA system and utilizing them is on the responsible officials who have estimated the relevant items.

So, you are kindly requested to circulate the instructions among the relevant parties in your institution and/ or under your purview to collect and utilize the same.

Please consider this is an important matter since this will be a preventive effort for minimizing the wastage as these items have been purchased with the government funds.

Your prompt attention and fullest co-operation in this regard would be greatly appreciated.

.....
 Director,
 Medical Supplies Division.
